EYE-SIGHT.

NOTICE

M. R. N. LAZARUS, Optician-Oculist of LONDON and CAIRO, may be consulted for SPECTACLES at the HONG-KONG HOTEL (Rooms No. 138).

ONLY UNTIL THURSDAY NEXT.

A great proportion of cataracts and diseases affecting those advancing in life occur to those having some deficiency in the construction of the Eyes—the main years of "Eye Strain" end in serious forms of disease. Glasses specially adapted in youth to those requiring them save and preserve the sight.

Completely-recurring headaches, spells of dizziness, pain, reading, weak eyes, the letters running together; any of these symptoms indicates a deficiency in the form of the eye requiring Glasses only to correct and cure.

Mr. LAZARUS supplies his SPECTACLES only after testing the sight.

The heavy fall in exchange is viewed with considerable alarm by residents all over the East, even by those in receipt of exchange compensation, for with the drop of the dollar must rise the cost of living. The staff of the Imperial Maritime Customs are placed in a very pitiable condition by the persistent fall in silver. A northern contemporary, in dealing with this matter, points out that since the institution of the Chinese Customs there has been no increase in the rates of pay of the Customs staff, while there has been an enormous increase in their duties, particularly in the smaller ports. It appears that no extra pay is given to the

There was a great fight in which 150 fishing-boats were engaged in the Inland Sea, near Moji, on the 23rd July. Nobody was killed, and the fight was stopped by police in a steamer.

At the Magistracy to-day, a coolie named Choung-Chuk was charged with the manslaughter of Li Chung, a cook, in a shop at No. 47 Nulah Lane on Sunday afternoon. Evidence was given by Dr Atkinson, and also by a Chinese witness who saw the blow struck. The case was then adjourned.

The Hongkong correspondent of the *N. Daily News*, writing on the Witchell case on the 8th July, said that the charges were not in favour of a conviction, and that there was a strong feeling that the system was to blame and not the man accused of receiving bribes. We thought the strong feeling was the other way, and that while much sympathy was expressed for the wives and children of the men implicated, no excuse is advanced for the actual acceptance of bribes. In fact, we feel so here that there would be any justification for such a diagnosis of the regulation of the service.The steamer *Fauzing* arrived at Nagasaki on the 2nd inst. from Portland, Oregon, U.S.A., her cargo consisting of 10,516 planks of timber.

Acting-Inspector Hannah has been promoted to the Inspectorship rendered vacant by the dismissal from the Police Force of Inspector Mitchell.

The wreck of the *Birrell*, which Messrs Boyd & Co., Ltd., were trying for so many months to raise, is now to be blown up by the Customs at Shanghai.

At the Magistracy to-day, two Chinese women were sentenced twelve months' imprisonment each, with hard labour, on charge of kidnapping girls from Canton.

THE INTER-COMPANY TEAM CHALLENGE SHIELD of the Shanghai Volunteers was won on the 5th inst. by B. Company, which defeated the holders, the German Company, by 17 points—516 to 498.

THE French captain, Roanneaux, who was arrested on a charge of embezzling funds while acting as paymaster of the forces in one of the districts of Tonkin, committed suicide by hanging himself in his cell.

At Shanghai on the 5th inst., Richard Henry Ryan, quartermaster of the P. & O. steamer *Thames*, was tried on a charge of manslaughter, it being alleged that he pushed a Chinaman into the river at Shanghai on the 10th July. Sir N. J. Hannan, Chief Justice, was judge, and there was a jury of five, who, after hearing the evidence, brought in a verdict of 'not guilty.'

THE BAND OF THE WEST YORKSHIRE REGIMENT will play the following programme at the Officers' Mess this evening, the 10th August:

ARRIVAL OF THE EMPEROR OF GERMANY IN RUSSIA.

The Emperor William has arrived at St. Petersburg, and has been appointed an Honorary Admiral of the Russian Navy.

ASSASSINATION OF THE SPANISH PRIME MINISTER.

The second performance of the comic opera 'The Little Duke' was largely patronised last night, and the audience were loud in their appreciation of the excellence of the entertainment. To-night, the children appeared in the pretty little opera 'H.M.S. Pinafore,' which was a special favourite with the audience when produced on their previous visit, and on Wednesday 'Les Cloches de Corneville' will be produced. Despite the warm weather the Company is having a very successful season.

THE report was current in town yesterday morning, amongst the Chinese, that a serious accident had occurred to the West River steamer *Washington*, but as the steamer was lying safely at anchor in the Harbour, having arrived on Monday morning at one o'clock, we did not consider it necessary to publish a contradiction of the rumour. The steamer left Hongkong this morning bound for Wuchow with a full cargo, and yet our evening contemporary states in its to-day's extra that the *Washington* came to grief on Sunday while en route to Wuchow from Hongkong, and that about fifty persons, chiefly native passengers, were injured by an accident to the machinery. As *Paik-ha* would say 'to add an air of verisimilitude to an otherwise bald and uninteresting narrative,' our contemporary concludes—it is also stated that the *Washington*'s radar post is damaged, and as the vessel has not yet returned from Wuchow, although due yesterday, there seems reason for believing that something has gone wrong. As we have already stated, the steamer arrived here yesterday morning and left again for Wuchow this morning.

At the Magistracy to-day, before Mr H. E. Wedderburn, Chong Fuk, boat builder, was charged with the murder of a coolie whose body was found at Taikotei on Saturday by an Indian Police Sergeant. Mr H. J. Gedge appeared for the defence. Dr J. C. Thomson gave evidence that he made a post mortem examination of the body yesterday at the Government Civil Hospital mortuary. He said the body was much decomposed and had become rigid in a sitting position with the arms and legs stretched out. On account of the extent of the decomposition he could not make out any bruises on the body. The spleen was very much enlarged and ruptured. It weighed twenty-four ounces; a healthy spleen weighed from five to seven ounces. In his opinion death was caused by hemorhage and rupture of the spleen. Very slight violence would rupture the spleen; muscular exertion to avoid a blow might have occasioned it. A foreman of earth coolies said that about one o'clock on Saturday he saw the deceased being carried by a large number of coolies. Prisoner and three others caught him and proceeded to beat him. Witness interferred and was told the man did not deserve kind treatment. After further evidence this case was adjourned till to-morrow to allow of a plan of the ground being made out.
